Facilitator: Brad Barber  
Minutes: Brian Battuello

1. February minutes - approved
2. Introductions

Members introduced themselves. Brad mentioned Colin Barbera who grew up on Spy Pond and currently lives near Lake Massapoag.

3. Fertilizer flyer

Dick gave Brad credit for getting the conservation committee for approving the flyer. Dick talked with Peter Lundstrom about flyer distribution. Seven thousand flyers should be ready next week. Improvements to the flyer were made by the Conservation Commission and Susan Chapnick, Mystic River Watershed Assoc and Catherine Pedemonti, and photographer David Mussina.

4. Spy Pond Trails Day, May 7

AMC trails and conservation committee will participate. Bill observed people cleaning the path. Brad reported that the path was plowed. Discussion of volunteers and planning for publicity. Discussion of fishing line receptacles.

5. Update on Spy Pond RFQ and Water Bodies Fund

Brad reported on slow progress on the RFQ.

6. Update on measuring Spy Pond

Brad tried to measure the depth of Spy Pond at two GPS locations while Spy Pond was frozen. Both measurements differed significantly from last year and 2001. His GPS is accurate to 20 feet, preventing comparative measurements.

7. New business

Brad posted the Massachusetts Buffer Manual from 2003 with information on managing lake shores.

8. Adjournment at 8:18 pm
